The animals/characters in the song can be changed to suit the animals/characters that you would like to teach to your children. They must be in 4<sup>th</sup> person form (aka Obviative form) ex. Makwan.

Here are the steps to put the animal/character into 4<sup>th</sup> person form:

- 1) Choose animal → Bineshiinh
- 2) Pluralize the word → Bineshiiny**ag**
- 3) Change the last letter to an "n" → Bineshiiny**an**
- 4) You are done, you now have a word that is in 4<sup>th</sup> person form.
