

Agindaasowin Odaminowin

Materials Needed:

- 2 large, numbered dice

How to Play:

- Split group into 2 teams.
- Each team gathers on opposite sides of the play area.
 - One person from each team meets in the middle.
- The instructor then rolls the dice in the middle and the players must quickly calculate the 2 dice together and say the final number in Anishinaabemowin.
 - For a group who is just beginning to learn, the instructor can use one die.
- The first person to say the number correctly stays in the middle to challenge the next person on the opposite team. The person who was not quick enough moves to the end of their team's line.
- The first team to use up all of their players loses.
