## Using This Resource

1. Use these heart themed counting cards and listen or sing the Gidagindaasomin Song <https://soundcloud.com/wakingupojibwe/gidagindaasomin>
2. Tape the cards to the floor or walls in learning environment.
3. For younger or beginner language learners yell out a number such as "NAANAN" and have them walk, run or skip to the correct number.

### Tips

- Laminate and bring cards outside for an outdoor learning experience
- Set up numbers on floor and play Hopscotch
- For a challenge, yell out a number and add an action such a running or jumping
- Post cards in infant rooms to promote numeracy in Anishinaabemowin
