## Instructions

1. Print out Odedewi-giizhigad Card Template. Look over card and activity with class, in small groups or individually, depending on class size and age of children.
2. Colour pages before cutting or gluing.
3. Use the Odedewi-giizhigad Vocabulary & Phrases to add more Anishinaabemowin
4. Cut Page 1 on dotted line. This will be the opening to page  
Instructors can say “Gimino-gishkizhan” for “good cutting”.
5. Glue back side edges of page 1 to front side edges of page 2. This will hold the card together and still allow opening of card. Instructors can say “Bazagowasan” or “Agokiwasan” for glue it.
