

Apakwaanaanjiins Game

Play the Little Bat Halloween Game by first cutting out the little bat and the 6 witch hats (cut the hats out in a square shape). Ask the children to hide their eyes or turn their heads, hide the bat behind one of the hats. Sing the Apakwaanaajiins Song. Children can then take turns trying to guess where the bat is hiding by saying the phrases below. Continue until the bat's hiding place is discovered. The child who finds the Little Bat can hide it for the next round.
